Under instructions contained in Excise Commissioner's C.R.No.3857 a/33/27.6.1933 an amount of Rs.132-4-0 collected every month from the Karnataka Chemical and Pharmaceutical Works, Udipi is being shown under the head "collection of payments for services rendered", in the D.C.B. statements. The instructions contained in the Accountant-General's letter referred to above, require that cases of recovery of contribution towards leave salary of Government servants in foreign service should be included under "contribution towards leave salary of officers lent to foreign service". I request to be informed what portion of the amount of Rs.132-4-0 collected every month represents the leave salary of the establishment employed in the Laboratory at Udipi. An amount of Rs.81-9-0 being the transfer Travelling Allowance of the Sub Inspector and of Rs.31-4-0 being the transfer Travelling Allowance of the peon lent to the Laboratory at Udipi were collected in August 1933. I solicit instructions

as to which head these items should go.
